The screenshot shows the PIXELIXE Studio interface. At the top left is the logo 'PIXELIXE Studio'. In the center, there is a colorful icon of a globe with tools and the text 'Create your graphic'. Below this, it says 'First, choose one of our preset size below or enter a custom dimension'. Under the heading 'Custom size', there are two input fields, each containing '1080' and 'px', separated by an 'X' symbol, followed by a blue 'Create' button. Below this is a 'Social Media' section with a group of people icon. It contains five dashed boxes representing different social media post types: 'LinkedIn Post' with the 'in' logo and dimensions '744px x 400px'; 'Twitter Post' with the Twitter bird logo and dimensions '1024px x 512px'; 'Instagram Post' with the Instagram camera logo and dimensions '1080px x 1080px'; 'Facebook Post' with the 'f' logo and dimensions '1200px x 900px'; and 'Youtube Thumbnail' with the 'You Tube' logo and dimensions '1280px x 720px'.
